

Registered Nurse - Dover

- **Permanent Full-Time**
- **Fast Paced & Dynamic Role**
- **Beautiful Location**

Huon Regional Care is a long-established provider of quality community and aged care services across Tasmania. A values-based organisation, we lead with courage to contribute to the dignity, meaning and comfort of people in need.

We are seeking an experienced and professional Registered Nurse to join our team in Dover, Tasmania. The successful applicant must be committed to personalcentred care and services that enables people to have the best possible care

Providing leadership and support to our team, your role will provide holistic care and in doing so enhance and promote the quality of life of our residents. This includes assessment, medication, wound and continence management, catheter care, palliative care and consulting with internal and external services to provide clinical solutions.

The successful applicant will have

- Current and active AHPRA Registration
- Proven post-graduate nursing experience
- Current and Valid National Police Check
- Full Working Rights in Australia

This role offers a competitive remuneration package including salary sacrifice and onsite parking.

To apply, please email copy of your resume, cover letter and completed application pack to:

employment@huonregionalcare.org.au

For further information please contact People and Culture Officer - Daniel Eastaway on (03) 6264 7149

There are currently positions available at our Dover and Tasman Facilities. Applications close 6 April 2019.
