

General Practitioner – Bothwell, Tasmania

Huon Regional Care is seeking a suitably qualified vocational Registered General Practitioner to deliver GP team-based care in Bothwell, Tasmania.

The Bothwell Medical practice provides team-based medical care with a strong focus on chronic disease prevention and management. The service is based on a patient-centred evidence-based holistic healthcare model in collaboration with visiting allied healthcare professionals. Consulting hours are between 8.30 am and 5.00 pm Tuesday, Wednesday and Thursday weekly. The Medical practice operates with one GP, nursing support and a fully-equipped treatment room.

MedicalDirector is used for patient records and PracSoft for billings and appointments. Bothwell Medical practice is Remoteness Area classified RA3 and is in a district of workforce shortage (DWS).

The gateway to Tasmania's central highlands, Bothwell is a town of distinctive colonial character with more than 50 heritage-listed buildings. The area is well-known for its cheese production and world famous whiskey distillery. Recreation opportunities include the oldest golf course in Australia and excellent fly fishing on nearby rivers and lakes.

Huon Regional Care offers a competitive remuneration package on a percentage-of-earnings basis. Accommodation is available while the GP is on location. For further information please contact
