

Huon Regional Care is a leading organisation in the provision of health and aged care services in Southern Tasmania. Our workplace is one in which employees are valued, recognised for their efforts and provided with opportunities for training and career development.

Registered Nurse

We are looking for registered nurses to join our team. The successful applicants must be committed to personal centred care and services that enables people to have the best lives possible.

Providing leadership and support to our team, your role will provide holistic care, enhancing and promoting the quality of life of our residents. This includes assessment, medication, wound and continence management, catheter care, palliative care and consulting with internal and external services to provide clinical solutions.

We offer an attractive remuneration package including:

- salary
- salary packaging options
- consideration given to relocation / accommodation costs
- post graduate scholarship program available for Registered Nurses

Essential Selection Criteria:

- Current and active AHPRA Registration
- Proven post-graduate nursing experience
- Current and valid National Police Check
- Full working rights in Australia

There are currently positions available at our facilities in Dover, Franklin and Tasman.

Should you wish to apply, please provide a copy of your resume, cover letter and completed Huon Regional Care Application pack to employment@huonregionalcare.org.au.

For further information please contact P&C Officer - Daniel Eastaway on (03) 6264 7105 or via email: deastaway@huonregionalcare.org.au

Applications close 5pm January 1st, 2019.
